**CORRECTION OF PREVIOUS AMENDMENT IN RESPONSE TO  
"NOTICE OF NON-COMPLIANT AMENDMENT"**

Commissioner for Patents  
P. O. Box 1450  
Alexandria, VA 22313-1450

Sirs:

This correction is in response to the "Notice of Non-Compliant Amendment" issued September 23, 2004 for the above-identified application. In that paper, our previous response of August 18, 2004 was found to be "not fully responsive" because claim 18 contained the status identifier "original", where the status identifier "withdrawn" was more accurate. Please replace the "CLAIM Amendments" section found in our previous response of August 18, 2004 with the "Corrected Amendments to the Claims" found beginning on page 2. The single difference between the instantly filed "Corrected Amendments to the Claims" and the "CLAIM Amendments" section of our August 18, 2004 filing is that the status identifier for claim 18 has been changed from "original" to "withdrawn".

Entry of the amendment filed August 18, 2004, as corrected by today's filing, and reconsideration of all pending claims are respectfully requested.

No fees are believed to be due with this filing. However, the Commissioner is authorized to charge any fees or credit any overpayment necessitated by this amendment to Deposit Account No. 18-1982.
